Policy Purpose and Scope

The purpose of Special Consideration is to give a student, whose work for a particular piece of assessment has been adversely affected by exceptional circumstances beyond their control, a further opportunity to demonstrate their ability. An alternative and equivalent form of assessment may be designed to replace the required assessment.

It is the student's responsibility to ensure that he / she is fully aware of all the conditions associated with their special consideration application. An application form can be obtained from the student's trainer /teacher, a coordinator or a Training Services (TSU) Manager on 9742 4013.

Policy

A student whose work during a training period or whose performance in an assessment has been affected by acute illness or other exceptional cause beyond their control may apply in writing to a TSU Manager for special consideration.

The accepted causes are:

- acute illness – e.g. hospital admission, serious injury, severe asthma, severe anxiety or depression. This does not include minor illness such as a mild cold;
- loss or bereavement – e.g. death of a close family member, family relationship breakdown;
- hardship/trauma – e.g. victim of crime, sudden loss of income or employment, severe disruption to domestic arrangements; and,
- students demonstrating relevant obligations to military or jury service or service to emergency services such as the Country Fire Authority.

Policy and Procedure

A TSU Manager or delegate will determine the most appropriate outcome for the special consideration application, depending on the student case and the piece of assessment affected.

Students deemed eligible will still need to complete all work related to satisfactory completion of all outcomes. Wyndham CEC will ensure that any student granted special provision will not have an advantage over other students in the program.
