Policy Context

Wyndham Community and Education Centre Inc (Wyndham CEC) is committed to ensuring that every care is taken to prevent accidents. However, in the event of a staff member, student, volunteer, child or user of one of Wyndham CEC's services having an accident or becoming ill, every attempt will be made to ensure the sound management of that person to prevent an exacerbation of the situation, and, to secure necessary medical treatment.

Policy

Wyndham CEC is committed to providing first aid, as required, to any staff member or user of its Training, Community Strengthening or Business services. Wyndham CEC has a Senior First Aid Officer and will ensure it has at least 2 trained first aid staff in addition to the Senior First Aid Officer. First aid supplies are provided for use at every Wyndham

CEC managed site, including portable first aid kits and asthma kits to be used for excursions and events.

Emergency evacuation procedures are disseminated and practised regularly. Safety procedures and the surrounding environment are continually evaluated by the Occupational Health & Safety Team. Wyndham CEC follows the Critical Incident and Emergency Management Policy and Procedure.

Wyndham CEC accepts no responsibility for visitors or visitor's children, excluding volunteers by agreement with management whilst engaging in their volunteer activity.

Procedure

- If a staff member, student, volunteer, child or user of a service has an injury/accident while at Wyndham CEC during normal working hours, an appropriately qualified First Aid staff member will administer assistance and provide comfort and support as required.
- Every reasonable attempt to notify the next of kin, emergency contact person, a parent or guardian as soon as practically possible will be undertaken.
- The injured or ill person must be supervised until they recover or until either an emergency service arrives or, next of kin, an emergency contact person, a parent or guardian collects them from Wyndham CEC.
- All accidents and illnesses **MUST** be recorded in the 'Accident, Injury or Illness Report Book'. Such a record should not only include those accidents or illnesses requiring medical attention, but also those considered being moderately significant. This will avoid oversights, where the severity of the injuries may not, at first, have been recognised and will safeguard staff against later ramifications, which could occur from such incidents.
- Details of a major accident/illness such as broken bones, burns, anaphylactic episodes, asthma attacks or bites, **MUST** be recorded in the Accident, Injury or Illness Report Book' and reported to the appropriate program Coordinator or Manager. Coordinators and Managers should report any relevant events to the Occupational Health and Safety Officer and the Senior First Aid Officer. Hazards and potential hazards or rectifications need to be recorded so that a proper evaluation and accident prevention can take place.

Procedure for maintaining First Aid Kits

Ensuring the health, safety and welfare of all employees is very important to Wyndham CEC. Access to first aid supplies in the event of an incident or accident is part of ensuring the health and safety of employees and all users of the Centre.

First Aid Kits are checked monthly by the Senior First Aid Officer and/ or replenished as required. These monthly checks are reported on SharePoint, Wyndham CEC's content management system.

All services managed by Wyndham CEC will have an appropriately stocked First Aid kit located in an accessible position.

The Senior First Aid Officer will ensure that:

- all First Aid kits have (on the inside of the door) a list of items to be kept in the kit at all times
- all First Aid kits have (on the inside of the door) a list of Emergency Numbers, the number for the local hospital and the number for the nearest doctor and/or medical clinic/s
- all First Aid kits have (on the front) a list of current First Aiders and the expiry dates of their First Aid qualifications
- monthly checks of First Aid kits at 4 Synnot St, 3 Princes Hwy, Wayaperri House Jellicoe Street and 20 Synnot St are completed and reported on SharePoint, Wyndham CEC's content management system.
- First aid kits in Corio and Geelong will be monitored by trained first aid staff and replenished as required via communication with Business Services unit
- A portable first aid kit is available for all excursions including an asthma first aid kit containing asthma medication
- Users must ensure any items used, running low or missing are reported to the Senior First Aid Officer for replacement.
- The Senior First Aid Officer **must** be notified about Asthma Spacer replacements. An Asthma spacer **must** only be used once. After use, dispose of it or label it with the

Wyndham CEC **will not** administer non-prescribed medicines such as paracetamol or analgesics to students.

For students with asthma, anaphylaxis or other allergies, Wyndham CEC follows the relevant Anaphylaxis or Asthma policies and procedures. For other illnesses or medical emergencies, Wyndham CEC follows the Health Policy and Procedure and/or this Accident & First Aid Policy & Procedure.

Wyndham CEC can also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week from any land line in Victoria.

In the event of medication needing to be administered to a student under-18, a record must be kept in the Medication Administration Log kept in the VCAL Administration office.

In the unlikely event that Wyndham CEC staff become responsible for ongoing administration of medication to a student under-18, all instances of administration of any medication must be recorded on the Medication Authority form. This form will be stored in the student's file and a copy will be kept by the CEO and the VCAL & Youth Manager.

The CEO and VCAL & Youth Manager each have a current copy of the Medical Register, including relevant action plans, and any relevant contact list.

Wyndham CEC is not responsible for interpreting or monitoring a medical condition or the effects of medication.

For more information on administering medication to under-18s, please see the procedures in the Student Well-being and Duty of Care in VCAL (includes procedures for under-18s) Policy & Procedure.
