Policy Context

Recognition of Qualifications issued by other Registered Training Organisations (RTOs) is the acceptance by one RTO of a Qualification or Statement of Attainment issued to an individual by another RTO. Based on this recognition, a credit transfer may apply.

Credit Transfer Definition

The definition of Credit Transfer as stated in the AQF: *'Credit Transfer is a process that provides students with agreed and consistent credit outcomes for components of a qualification based on identified equivalence in content and learning outcomes between matched qualifications.'*

Policy

Wyndham Community and Education Centre Inc. (Wyndham CEC) recognises the AQF qualifications and Statements of Attainment issued by other RTOs.

Prospective students at Wyndham CEC are made aware of opportunities for this recognition through Wyndham CEC's marketing materials and at the Pre-training interview, prior to enrolment and/or prior to commencement in a course.

Wyndham Community Centre and Education Inc Policy and Procedure

There is no fee for this recognition process. A tuition fee is not charged for any unit of competency (UoC) that is a credit transfer (CT).

The following conditions should be met through the recognition process:

- If the qualification/Statement of Attainment is currently listed on www.training.gov.au and is still a component of a qualification that the student wishes to enrol in, recognition must be given;
- If the qualification/Statement of Attainment held by the student is listed on www.training.gov.au as superseded/ no longer listed on www.training.gov.au or is not the version required by the qualification into which the student wishes to enrol, national recognition does not apply; and,
- In this latter case, recognition of prior learning (RPL) may be appropriate.

Recognition of qualifications issued by other RTOs does not require Wyndham CEC to recognise the qualifications/Statements of Attainment issued by other RTOs for any purposes other than training.

Procedure

The applicant applying for recognition of a Qualification or Statement of Attainment from another RTO, must present the original for sighting or provide a certified copy of the original.

The Pre-training Interviewer will sight the original or certified copy and make a note on the individual Training Plan. The C&R team will then check the validity and currency of the Qualification or Statement of Attainment.

This includes:

- Verifying the currency and accuracy of the document via www.training.gov.au
- Making a copy of the document
- Recording their name and the date on the copy
- Signing the copy

The individual will be informed of any recognition granted at the pre-training interview or if the student has left, within 48 hours.

A credit transfer against any units of competency for which recognition has been granted will be recorded on the individual Training Plan. The copy of the Qualification / Statement of Attainment issued by the other RTO will be filed in the student file.
