

Dear Wyndham CEC communities and stakeholders,

The Victorian government has eased nearly all remaining restrictions state-wide for fully vaccinated people from 11.59 PM Thursday, 18 November, 2021.

Easing of restrictions mean that Wyndham Community and Education Centre is currently delivering some programs face-to-face and some remotely for clients and students who are double vaccinated.

While our doors might be opened to the general public for enquiries, we're delivering most programs and services for you by appointment.

Please call us on 9742 4013 for information about programs and services or email enquiries@wyndhamcec.org.au

Our Reception staff can direct your call to any of the people below.
