Wyndham Community and Education Centre Policy and Procedure

Policy context

Wyndham Community and Education Centre Inc. (**Wyndham CEC**) is committed to providing a safe environment for its employees, clients, students, volunteers, community members such as parents and guardians, Board of Governance (**Board**), School Council and users of programs and services.

Despite careful planning, policies, procedures, guidelines and systems in place, critical incidents may take place at Wyndham CEC or its school, Julia Gillard Community College (the **School**), requiring critical incident or emergency management procedures to be implemented.

This document outlines Wyndham CEC's and the School's policy and procedures for managing a critical incident, or an emergency, and includes:

- initial response;
- follow up;
- reporting; and
- review.

Scope

This policy applies in all Wyndham CEC environments, including the school environments associated with the Julia Gillard Community College.

A critical incident or emergency may include (but is not limited to):

- Illness, death or serious injury of any person in the Wyndham CEC or the School community
- Criminal activity - assault, aggression, witnessing a serious accident or act of violence, child abuse
- Natural disaster e.g. earthquake, hailstorm, flood, bushfire, grassfire, severe weather event
- Social or behavioural issue such as drug or alcohol use or abuse, physical violence against a member of the School community or Wyndham CEC community
- Emergency evacuation of the building from fire, bomb threat, chemical hazard, explosion, spill
- Intruder
- Threat with a firearm or weapon
- Lockdown
- Lockout
- Shelter-in-place
- Offsite facility emergency
- Outbreak of disease or pandemic (see Epidemic & Pandemic Policy and Procedure)
- Any event with major impact that poses a threat to health, life, property, or the environment.

This document was reviewed and accepted by the Board of Governance of the Wyndham Community and Education Centre Inc on 25/11/2024 and supersedes all previous versions.

Wyndham Community and Education Centre Policy and Procedure

Purpose

The purpose of this policy is to:

- provide key information as well as a practical guide for all staff in the event of a critical incident or emergency
- ensure timely and effective responses are taken to address immediate client/student safety and wellbeing; the *School Duty of Care Policy* should be read in conjunction with this Policy
- ensure due diligence and responsibilities are met
- support the ongoing provision of high-quality services to clients and students
- ensure compulsory reporting of critical incidents occurs.

Responsibilities

CEO

The CEO is responsible for:

- keeping all copies of Incident Reports relating to any incidents in a secure filing cabinet
- maintaining an ongoing Incident Register
- reporting all critical incidents to the Board of Governance of Wyndham CEC
- handling all media releases following a critical incident at Wyndham CEC
- within two weeks of the annual review of the Risk Plan, taking the following actions:
 - o supplying Wyndham CEC's details to any applicable formal register as identified during risk assessment, for example: Bushfire Register
 - o informing Wyndham CEC staff of identified risks and risk severity
 - o creating an Emergency Management Action Plan for each identified risk
 - o revising the Evacuation/Relocation plans where necessary.

Board

Wyndham CEC has a risk assessment plan (Risk Plan) as part of its *Risk Identification & Management Policy & Procedure* which is reviewed annually with the Board. This Plan identifies potential threats or hazards which could lead to an emergency at Wyndham CEC, including the School, and the consequences that may be triggered through such an event.

Senior Management Team

Wyndham CEC's Senior Management Team includes Wyndham CEC's CEO, Director of Business Services (DoBS) and Director of Education (DoE). This team oversees the prevention and management of critical incidents or emergencies at Wyndham CEC.

The Principal, as the most senior staff member of the Julia Gillard Community College, oversees the day-to-day management of critical incidents or emergencies at

This document was reviewed and accepted by the Board of Governance of the Wyndham Community and Education Centre Inc on 25/11/2024 and supersedes all previous versions.

the School site. The Principal must report any critical incidents to the School Council who in turn will provide a report to the Board of Wyndham CEC.

The responsibilities of the Senior Management Team, including the Principal, include:

- no tolerance of child abuse and/or racism;
- risk assessment and annual planning with the Board/ School Council;
- analysis of risks/threats that could lead to an emergency situation and requirements or solutions to address them;
- development of Emergency Management Plan;
- completion of stages 2 and 3 of the Incident and Emergency Management Form and Action Plan following an incident and as required;
- liaison with relevant emergency services e.g. police, fire brigade, ambulance, community emergency services, hospital;
- access to important medical information of staff and students;
- 24-hour access to contact details of DoBS and the Principal for all relevant staff members needed in the event of a critical incident;
- sufficient practice evacuations across the organisation by the OH&S Team;
- pandemic responses; and
- ensuring adequate staff training to minimise impact of a critical incident or emergency should one occur.

School Council

The School Council completes an Emergency Management Plan (Plan) annually with the OH&S Team and:

- distributes to School staff and emergency services; and
- submits the Plan to the Board.

A de-identified version of the Plan is distributed outside of Wyndham CEC including to emergency services and DE.

The key reason for reporting incidents is not only to maintain important reports but also to learn from incidents and where possible to prevent their recurrence. Change will be implemented in the annually reviewed Plan to prevent similar events from happening where practicable.

The Plan identifies responsibilities, procedures and actions to help minimise the impact of an emergency and includes:

- emergency Contact Lists
- contact details for emergency services
- DE Regional and Central Office key contact numbers
- Wyndham CEC emergency key contact numbers
- a brief description of the facility(ies), including numbers of students, number of buildings & rooms, and number of staff
- list of students and staff with disabilities and/or special needs;
- a *Risk Assessment Matrix* establishing the relative risks of the specific hazards and emergencies that may impact Wyndham CEC;

This document was reviewed and accepted by the Board of Governance of the Wyndham Community and Education Centre Inc on 25/11/2024 and supersedes all previous versions.

- a detailed 4 Synnot St Site Plan including the site's surrounding area;
- response to specific hazards: Evacuation/Relocation Plans (Off-site Evacuations); and
- pandemic responses

OH&S Team

The OH&S Team is responsible for:

- organising emergency evacuation practice drills during the first OH&S Team meeting or each year, and running these drills twice per term
- reviewing and updating the Emergency Management Plan annually or after a major incident; and
- within two weeks of the Plan being updated:
 - o making any changes needed to Wyndham CEC's 4 Synnot St site (the School) and surrounding area maps; and
 - o implementing the of display of these maps.

Incident response

In the event of a critical incident, every attempt will be made to respond appropriately and in a timely manner.

Responses may include (but are not limited to):

- response/ assistance to immediate needs of individual involved to ensure safety;
- re-establishing a safe environment following an incident;
- completing the incident and emergency management form and action plan (most senior person who was a witness or assist a student/client to complete form if not witnessed by a staff member);
- reporting to police where required (refer also to Child Safety Reporting Procedure);
- reporting directly to WorkSafe if required;
- communicating with parents/guardians about an incident (role of School principal or CSO);
- thorough investigation to assist in preventing similar incidents from re-occurring;
- debriefing employees, students, volunteers, members, Board or users as required. (Debriefing may need to be undertaken by someone external from the organisation); and /or
- implementing Working from Home Procedures.

If the main office is not contactable, or it is outside normal working hours, the DoBS should be contacted on **0408399106** and fully informed of the incident as soon as it is safe and practical to do so.

Recordkeeping

Incident and Emergency Management Form and Action Plan

Wyndham CEC has implemented an Incident and Emergency Management Form and Action Plan to:

- keep a record of any critical incidents or emergency situations;
- help in planning of preventative recurrences; and
- ensure correct and timely follow-up is enacted.

The most senior witness to an incident, or the most senior staff member to whom it was reported (if no other witnesses), must complete all relevant parts of the Incident Report Form. Any alleged criminal acts, including responding to physical or sexual assault must be reported to the CEO of Wyndham CEC or Principal of the School immediately.

Wyndham CEC's Incident and Emergency Management Form and Action Plan consists of three stages, and should be completed as follows:

Stage 1 – Incident & Emergency Management Report

This part of the document will need to be completed as soon as practicable after the incident or emergency situation by a staff member involved and any witnesses where applicable.

Once stage 1 has been completed, the document will need to be referred to the Critical Incident Team

Stage 2 - Incident & Emergency Management Action Plan

This part of the document will need to be completed as soon as practicable after the incident by a member of the Critical Incident Team

Stage 3 - Incident & Emergency Management Action Plan Follow-up

This part of the document will need to be completed in conjunction with stage 2. A member of Critical Incident Team will need to revisit stage 3 as determined by the date in the section labelled *Date of next follow-up if item is not complete*.

This document was reviewed and accepted by the Board of Governance of the Wyndham Community and Education Centre Inc on 25/11/2024 and supersedes all previous versions.

Third Party Information

An Incident Report Form may include personal information from a third party to an incident. That is, someone who is not a Wyndham CEC client, College student, staff or volunteer. The person should be notified that the information is being collected by Wyndham CEC for the purpose of reporting and / or an improvement to the service.

Incident Report Records Management

The CEO will keep all copies of Incident Reports relating to an incident in a secure filing cabinet. An ongoing *Incident Register* will also be maintained by the CEO. The Principal of the School should keep copies of School Incident Report Forms. Only a member of the senior management team has access to these hard copy and soft copy documents.

Privacy

Wyndham CEC will respect the privacy of individuals who are involved in or who witness incidents, especially when dealing with reports which may contain personal details and sensitive information. See the *Privacy Policy & Procedure (Students/Clients)* and/or *Privacy Policy & Procedure (Staff/Volunteers)* for more information about privacy.

Emergency Management Plan

The following will be displayed prominently:

- Emergency Contact Lists
- Contact details for emergency services
- DE Regional and Central Offices
- Key contact details for Wyndham CEC personnel

They will be displayed in the following locations (note the privacy version should be used for this purpose):

- 4 Synnot St administration area
- 4 Synnot St staff room
- 20 Synnot St administration area

During the annual review of Wyndham CEC's Emergency Management Plan, the Principal will be consulted to update the *Children and Staff with Special Needs* list.

Evaluation and Review of Critical and Emergency Management Incidents

After a critical incident, a meeting of the senior management team will evaluate the Incident Report and / or the Emergency Management Form and Action Plan as applicable and the effectiveness of the follow up in each instance.

2. **SITE EVACUATION PROCEDURES**

2.1 **EVACUATION @ Julia Gillard Community College, 4 Synnot St, Werribee.**

When it is unsafe for students, clients and staff to remain onsite, the Incident Controller will take charge and inform the Principal and OH&S Team as required.

Due to the dynamic nature of staff at the 4 Synnot St site (including the operation of Julia Gillard Community College), Wyndham CEC encourages all staff to have knowledge of the warden role and the evacuation procedures. This is promoted through regular staff PD where staff members practice as a warden during an evacuation practice drill.

Key persons at Julia Gillard Community College site at 4 Synnot St, Werribee are:

Incident Controller: Teresa Vizintin

Warden: Staff member who finds/ identifies the emergency

First Aid Officers: Anthony Barrera, Sam Boddeke, Teresa Vizintin, Yolande Berecz, David Copeland

In the event of evacuation from the School @ 4 Synnot St, please note the following:

- The Warden is the staff member who finds/ identifies the danger
- The Incident Controller informs the Principal on 0481 174 491 and OH&S Team on 9742 4013.
- Staff involved = all staff

In the event of an emergency follow these steps

Warden to:

- Sound the alarm throughout the building
- Delegate **one** staff member to:
 - ✓ Call the appropriate emergency service – “000” Fire / Ambulance / Police (maintain communication with emergency services as necessary)
 - ✓ all rooms are evacuated, including toilets
 - ✓ timetable, checklist and sign in book are taken out to evacuation point
 - ✓ all classes and staff are accounted for
- Direct everyone safely across the road
- Meet emergency services on arrival
- Complete **Post-emergency record** once safe to do so

This document was reviewed and accepted by the Board of Governance of the Wyndham Community and Education Centre Inc on 25/11/2024 and supersedes all previous versions.

2.5 EVACUATION @ STEAMPACKET HOUSE, GEELONG

When it is unsafe for students and staff to remain onsite, the Incident Controller will take charge and inform the senior Management Team if necessary.

Due to the dynamic nature of staff at Wyndham CEC's Steampacket House site, Wyndham CEC encourages all staff to have knowledge of the warden role and Wyndham CEC's evacuation procedures. This is promoted through regular staff PD where staff members practice as a warden during an evacuation practice drill.

Key persons at Wyndham CEC's Steampacket House site are:

Incident Controller: Maricon Embanecido

Warden: Staff member who finds/ identifies the emergency

First Aid Officers: Ruth Hill, Maricon Embanecido, Annette Connors

In the event of evacuation @ Steampacket House, please note the following:

- The Warden is the staff member who finds/ identifies the danger
- The Incident Controller informs the senior Management Team if necessary.
- Staff involved = All Staff

In the event of an emergency follow these steps

Not all emergency situations will require evacuation from premises. Some situations, such as the threat of a violent person or a police operation in the vicinity, may require the organisation/ premises to go into lockdown. This means that Wyndham CEC staff

- lock all doors and windows and where possible,
- remove people from view.

Evacuation and lockdown practices will be scheduled routinely throughout the year.

4 Synnot Street – Julia Gillard Community College

Due to the dynamic nature of staff, clients and visitors at Wyndham CEC's School at the 4 Synnot St, Werribee site, evacuation/lockdown practice drills are run on a regular basis. Wyndham CEC's OH&S Team will carefully plan each practice drill so that as many staff members and clients as possible are involved in a practice drill.

The OH&S Team will ensure that:

- ✓ Practice drills are performed twice per term
- ✓ Practice drills are performed on varying days and at varying times

Running an Emergency Practice Drill (Evacuation)

- Inform the Principal that a practice drill is about to occur, in the absence of the Principal, the most senior staff member onsite at the School should be informed
- Phone Security Internet Solutions (Control Room) on 1300 88 33 30
- Give the name of the Centre
- Explain that we are having an emergency evacuation drill
- Give the timeframe for the evacuation
- Press the fire symbol
- Turn off alarm when evacuation completed
- Above points do not apply when using the megaphone

OH&S Team members complete an **Emergency Practice Evacuation 'observer' record** which contains important information including:

- ✓ Time and date practice evacuation is performed
- ✓ Time taken for practice evacuation to be performed
- ✓ Any problems staff or clients encountered during the practice evacuation
- ✓ Areas that may need to be improved in future practice evacuations

Running an Emergency Practice Drill (Lockdown)

- Inform the Principal that a practice drill is about to occur, in the absence of the Principal, the most senior staff member onsite is to be informed
- Alert other staff members via internal telephone system that lockdown has been initiated
- Ensure your area is secure by locking any lockable doors, closing windows, drawing blinds and instructing others to stay away from doors and windows

- During lockdown, the responsible staff member in a room should be aware of other staff or students that may have been outside of the room when the lockdown was initiated. In this situation the person/s should be permitted entry if it is safe to do so

OH&S Team members complete an **Emergency Practice Lockdown ‘observer’ record** which contains important information including:

- ✓ Time and date practice lockdown is performed
 - ✓ Time taken for practice lockdown to be performed
 - ✓ Any problems staff or clients encountered during the practice
 - ✓ Areas that may need to be improved in future practices
-
- A different staff member will be assigned the warden role on each practice drill
 - Feedback on a practice drill is immediate while the experience is still fresh for participating staff members
 - Feedback is documented and sent to all staff so that they are aware of areas for improvement

As part of Wyndham CEC’s commitment to continuous improvement, follow-up is an important step after a practice drill. Following a practice drill, the OH&S Team member will complete a practice evacuation action plan.

The completed action plan will be tabled at the next scheduled Wyndham CEC OH&S Team meeting for discussion on improvement to future practice drill performance.

Wayaperri House – 106 Duncans Rd, Werribee

Due to the dynamic nature of staff, clients and visitors at Wyndham CEC’s 106 Duncans Rd site, evacuation practice drills are run on a regular basis. Wyndham CEC’s OH&S Team will carefully plan each evacuation practice drill so that as many staff members and clients as possible are involved in a practice drill.

The OH&S Team will ensure that:

- ✓ Practice evacuation drills are performed twice per term
- ✓ Practice evacuation drills are performed on varying days and at varying times

Wyndham CEC recognises that all staff need to be prepared for a real life emergency evacuation and therefore practice evacuation sessions are to be held twice a term.

Running an Emergency Practice Drill (Evacuation)

- Call the main office to inform the Business Services Manager that a practice drill is about to occur, in the absence of the Business Services Manager a senior staff member of Business Services is to be informed

- Report to the DoBS on **0408399106** and ring head office on **9742 4013** (if offsite)
- Contact parents as required

4. BUSHFIRE/GRASS FIRE

In the event of bushfire or grassfire, follow these steps and the evacuation procedure for the specific site if required.

- Phone “000” for emergency services and seek/ follow advice
- Identify which buildings need to be evacuated in the case of a fire
- Report the emergency to the Incident Controller (by site) who will convene the Incident Management Team if necessary
- Determine appropriate action e.g. shelter-in-place or evacuation
- If evacuation is required and time permits before you leave, close all doors and windows and turn off power and gas
- Check that all students, staff, clients and visitors are accounted for as per evacuation procedure
- Check for bushfire/weather warnings and advice on local radio or TV or website
- Ensure staff/students/ clients do not hinder Emergency Services or put themselves at risk by going near damaged buildings or trees
- Report to DoBS on **0408399106** and head office on **9742 4013** (if offsite)
- Direct all Media enquiries to CEO
- Contact parents as required

5. LOCKDOWNS

The following lockdown procedures are to be used when an external and immediate danger is identified and it is determined that staff, students and clients should be secure inside the building for their own safety.

- Incident Controller activates the Incident Management Team
- Announce the lockdown and provide instructions to staff e.g. close internal doors and windows, sit below window level or move into corridors
- Advise Victoria Police and other appropriate emergency service agencies
- Check that all external doors are locked
- If available, allocate staff to be posted at locked doors to allow students, staff and visitors to enter if locked out
- Advise Head Office on **9742 4013** (if at other site) or the DoBS on **0408399106**
- Ensure a telephone line is kept free
- Keep main entrance as the only entry point. It must be constantly monitored and no unauthorised people allowed access.

- If possible, have a delegated staff member wait at the main entry of the site building to guide Emergency Services personnel.
- Ascertain (as possible) if all students, staff and visitors are accounted for via class rolls and sign-in-books
- Record some details of actions undertaken and times taken
- Await de-activation advice from emergency services personnel (if appropriate)
- De-activate lockdown using predetermined de-activation signal

Actions after lockdown

- Confirm with Emergency Service personnel that it is safe to de-activate lockdown
- Determine if there is any specific information staff, students and visitors need to know (e.g. areas of the facility to avoid or parent reunification process)
- Ensure any students, staff or visitors with medical or other needs are supported
- Print and issue pre-prepared parent letters and give these to students under-18 to take home
- Advise the Principal and Head Office that the lockdown is over
- Follow up with any students, staff or visitors who need support.
- Prepare and maintain records and documentation.
- Undertake operational debrief to review the lockdown and procedural changes that may be required.
- Complete **Post-emergency record**

6. LOCKOUTS

The following lockout procedure is to be used when an internal immediate danger is identified and it is determined that staff, students and clients should be excluded from buildings for their safety.

- Incident Controller activates Incident Management Team
- Announce lockout with instructions about what is required. Instructions may include nominating staff to:
 - ✓ lock doors to prevent entry
 - ✓ check the premises for anyone left inside
 - ✓ obtain Emergency Kit
 - ✓ Contact emergency services
 - ✓ Go to the designated assembly area
 - ✓ Check that students, staff and visitors are all accounted for

Actions after lockout

- Determine if there is any specific information staff, students, clients or visitors need to know (e.g. areas of the facility to avoid or parent reunification process)
- Ensure any students, staff or visitors with medical or other needs are supported
- Print and issue pre-prepared parent letters and give these to under-18 students to take home

7. SHELTER-IN-PLACE

The following Shelter-in-place procedure will be considered when an event takes place outside of Wyndham CEC and emergency services determine the safest course of action is to keep staff, students and clients inside a designated building until the external event is handled.

If a shelter-in-place action is determined:

- Incident Controller activates the Incident Management Team
- Move all students, staff, clients and visitors to the shelter-in-place area
- Obtain emergency kit
- Notify parents of students under-18 if the shelter-in-place is going to extend beyond the academic day
- Advise the DoBS on 0408399106 and Head Office on 9742 4013 (if required)
- Complete Post-emergency record when able to

8. SEVERE WEATHER/STORMS AND FLOODING

In the event of severe weather or flooding, follow these steps.

- Store or secure loose items external to the building, such as outdoor furniture
- Secure windows (close curtains & blinds) and external doors. If necessary, tape windows and glass entrances
- Protect valuables and disconnect electrical equipment – cover and/or move this equipment away from windows
- During a severe storm, remain in the building and keep away from windows
- Restrict the use of telephone landlines to emergency calls only
- After storm passes, evaluate the need to evacuate if uncontrolled fires, gas leaks, or structural damage has occurred as a result of the storm
- Report to the Incident Controller or Chief Warden regarding the status of safety of any students including those under-18, staff, clients and visitors
- Report to the DoBS on **0408399106** and Head Office on **9742 4013** (if required)

To ensure preparedness, the Critical Incident Team is to complete the **Influenza Pandemic Actions** document by the end of April of each calendar year.
In the event of a lockdown due to a pandemic, implement a pandemic risk assessment and COVID Safe plan for each venue before staff can return to the workplace.

In the event of a pandemic, follow these steps.

- Ensure basic hygiene measures are in place
- Provide convenient access to water and soap
- Educate staff, students and clients about covering their cough to prevent the spread of germs (use translated information where possible and as relevant)
- Stay alert and follow the instructions of the Department of Health, local government and/ or DFFH or DE
- If a pandemic is declared follow all Health Directions
- Direct all media enquiries to CEO
- Be prepared for multiple waves and to work from home
- Follow Victorian State Government directives and/or Department of Health Directions
- Implement mask wearing and social distancing as required
- Follow advice about vaccination

For more information regarding pandemics, refer to the *Epidemic and Pandemic Policy & Procedure* and the *COVID-19 vaccination (Staff and Volunteers) Policy & Procedure*

10. BOMB/CHEMICAL THREAT

In the event of a bomb, chemical or biological threat, follow these steps.

- If a bomb/chemical threat is received by telephone:
 - ✓ **stay calm**
 - ✓ **do not** hang up
 - ✓ refer to the bomb threat checklist under or next to telephone
- If a bomb/chemical threat is received by mail:
 - ✓ avoid handling of the letter or envelope
 - ✓ place the letter in a clear bag or sleeve
 - ✓ inform the Police immediately
- If a bomb/chemical threat is received electronically or through Wyndham CEC's website:
 - ✓ do not delete the message
 - ✓ contact police immediately
