Student Support Services

Wyndham CEC can help connect you with a range of services. A list of these services can be found below and are also listed on our website.

Qualifications & Accredited Courses

Students enrolled in a nationally recognised qualification or accredited course will receive a Certificate if they have been assessed as competent in all required units. The certificate will list all units successfully completed. For a partial completion of a Certificate you will receive a Statement of Attainment which lists the units successfully completed. Wyndham CEC meets the compliance requirements for the issuance of AQTF qualifications.

Students enrolled in accredited training at Wyndham CEC will have 30 days from the last day of training/timetabled classes to meet all of the requirements of the program they are enrolled in. Wyndham CEC is not obliged to accept any work or assessment beyond this date, unless arrangements have been made under the Special Consideration policy.

Special Consideration

The purpose of Special Consideration is to give a student, whose work for a particular piece of assessment has been adversely affected by exceptional circumstances beyond their control, a further opportunity to demonstrate their ability. An application form is available for special consideration. Please see the policy or your teacher / trainer for more information.

Non-accredited Courses

For non-accredited programs, you will receive a Participation Certificate that lists the course you participated in.

Recognition of Prior Learning (RPL)

We recognise that education can come from life experiences, formal education and other courses, training in a work environment and work experience. Recognition of Prior Learning is available for all Wyndham CEC qualifications on its scope.

Recognition of Qualifications issued by other RTOs

Wyndham CEC will recognise qualifications and statements of attainment issued by other RTOs in accordance with its policy.

Feedback

Towards the end of your program, you will be asked to complete a Program Feedback survey: your responses are confidential. Your feedback helps us know what is good – and not so good – about the program you studied. Overall information collected is presented to the Board of Governance and is used to improve the programs we offer. We always appreciate helpful feedback.

You can also leave feedback in the suggestion box located in the reception area of our head office.

You may also receive a survey from NCVET, an invitation to participate in a Department of Jobs, Skills, Industry and Regions (DJSIR) endorsed project, an invitation to participate in the Department's annual student outcome survey or be contacted by the Department (or persons authorised by the Department) for audit, review or investigation purposes.
